

Mecklenburg Scout Reservation Usage Fees

The long range plan for Mecklenburg County Council Boy Scouts of America is to have great camps with good program equipment. To insure funding to cover replacement cost, there will need to be some fees for use of camp and equipment.

The costs below are for periods outside of Summer Camp. Summer camp fees are covered in the Camp Grimes Leader's Guide on the www.mycampgrimes.org website.

All fees are due prior to or at the time of check-in. Fees are to be paid to the Camp Ranger or Camp Master. They will provide you with a receipt of your payment.

- **Camp General Fees** (effective March 1, 2011) - There is \$2.00 per 24 hour period for campers (youth and adults) for use of any part of the camp by Out-of Council Boy Scout of America or other none Boy Scouts of America organizations. There is no charge for in council troops, packs or crews.
- **Canoe and Trailer Off Camp Trip** - In council and out-of-council troops, packs or crews can use the canoes and trailer for off camp property trips. The cost to use the canoe and trailer is \$75.00 for in-council and \$150.00 for out-of-council for a weekend trip. Canoe and trailer will be picked up on Friday and returned on Sunday in good condition. The group using the canoes and trailer are reasonable for cost of damage and repairs.
- **Inside Structures with Cooking, Heat or Water** - These structures require additional cost to operate when in use. At this time, there are no additional fees. This may change at any time.
